EXAMINER 'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Scott A. Moskowitz on 9-28-07

The application has been amended as follows:

In the claims:

Claims 4, 18, and 19 are canceled.

Reason for Allowance

2. Regarding claim 3, the prior art fails to teach or suggest a computerized method of managing a bandwidth securitization instrument, comprising the steps of receiving at a computer system a value associated with the first component bandwidth resource unit; and assigning a value to the bandwidth securitization instrument without human intervention, based on the received value associated with the first component bandwidth resource unit, in combination with other limitations, as specified in the independent claim 3.

Regarding claim 5, the prior art fails to teach or suggest a computerized method of assisting a convenience premium to a bandwidth securitization instrument, comprising the steps of estimating a demand at a given moment in time for the first component bandwidth resource
